

CAREERS & the disABLED Magazine's
Employee of the Year Awards

2021 NOMINATION FORM

CAREERS & the disABLED magazine invites your company or government agency, as a progressive employer that recruits, hires and promotes people with disabilities, to submit the name of an employee who has a disability, as a candidate for *CAREERS & the disABLED*'s Employee of the Year award. Please note we'll consider a maximum of two candidates from your company or government agency. The individual with a disability being nominated must be a full-time employee of your company or government agency.

CAREERS & the disABLED will honor the 29th Annual Employee of the Year Award Winners in several ways. Award winners will be spotlighted with a profile in our annual *CAREERS & the disABLED* Spring Awards Issue, which will be published in July 2021 and will be distributed in print and in a digital edition to our national readership. In addition, they'll be showcased on our website, www.eop.com, and their stories will be shared on our social media platforms, Facebook, Twitter and LinkedIn. Plus, award recipients will be highlighted in a press release. An award plaque commemorating the honor will also be sent to all 2021 award winners.

Please include your candidate's qualifications (in no more than 500 words). Include his or her advocacy efforts, professional accomplishments, community outreach and other reasons why the candidate is an excellent role model.

Please complete the information below, as well as the 500 words describing the candidate as outlined above, and email it to Barbara Capella Loehr at bloehr@eop.com by **March 12, 2021**. Please email or call Barbara with any questions at 631-421-9421, ext. 12. Thank you for helping us publicize your efforts and those of your outstanding employees with disabilities. And stay safe and well!
